VIMAS™ and V+ Text Messaging: Your One Stop Account Manager

Knowledge is power. Your time is valuable. So how can you save time and get instant information about your PREMIER account 24/7? Through VIMAS™, PREMIER'S online merchant account management tool. Through VIMAS™, you can instantly review pertinent details about your account – anytime, anywhere.

VIMAS™ provides operations infrastructure for your business needs, with 24/7 online access to daily deposits, transaction summary reports, monthly statements and retrieval and chargeback details. With VIMAS™, you can receive updates on your financial position at your convenience.

WANT TO STAY CONNECTED ?

It's not always convenient to log into a computer to access your account. That's why we have developed V+, PREMIER's online messaging service and personalized feature of V+ Text Messaging, to enable you to receive automated text message and/or e-mail updates on your merchant account.

MESSAGE OPTIONS INCLUDE:

- DAILY DEPOSITS
- RETRIEVALS
- CHARGEBACKS

WHAT IS VIMAS™?

VIMAS is a virtual merchant application that compliments your PREMIER MERCHANT PROCESSING account. As our proprietary portal, VIMAS™ allows business owners to view, manage and securely control vital sales information. By using VIMAS, merchants can track all their credit card payment transactions anytime, anywhere..

Easy to learn and use, VIMAS allows merchants a wide range of reporting and tracking capabilities. VIMAS is regulated by the payment card industry, Visa, MasterCard, Discover and American Express, for data privacy and security.

WHAT CAN YOU DO WITH VIMAS™

PPREMIER created VIMAS™ to make daily business tasks as easy and efficient as possible for merchants. VIMAS™ was developed to save time and insure data security. With VIMAS™ merchants can:

- VIEW THE LAST SIX MONTHS' OF PROCESSING STATEMENTS
- TRACK DAILY TRANSACTIONS ACTIVITY
- TRACK DAILY DEPOSITS
- OBTAIN UPDATES ON CHARGEBACKS AND RETRIEVALS
